PROVINCIAL WATER BUCKET

\$380

c. 1850 • Shandong, China • Pine • Collection #BJD058A

H: 9.5" Dia: 10.5"

Beautifully aged with a dark patina, this Qing-dynasty water bucket draws attention to the ingenuity of its manufacture, consisting of staves of pine bound with iron rings. Authentically rustic, the bucket adds lovely contrast to a formal garden or contemporary bath.
