SQUARE TABLE WITH HUMPBACK STRETCHERS

\$1,980

c. 1850 • Northern China, China • Northern Elmwood • Collection #S036

W: 27.25" D: 27.25" H: 32.75"

Though created in the Qing dynasty, this square table owes its elegant proportions to classic Ming-dynasty design principles. Ming table design was centered on a harmonious blend of straight and curved lines. This table's tall, slender legs contribute to its sense of lightness, while the fluid curves of the spandrel and stretchers enliven the design with pleasing rhythm.
