ALTAR TABLE WITH EVERTED ENDS

\$9,580

c. 1850 • Shanxi, China • Ironwood, Rosewood • Collection #BJB008

W: 63.5" D: 14.5" H: 35.25"

This elegant console table was made 150 years ago in China's Shanxi province and likely served as a family's altar where they paid respects to revered ancestors. The altar table is crafted of two classic woods, rosewood (huali) and ironwood (tielimu), and both have aged beautifully over time. A wonderful addition to the home, the console is exceptionally lovely with carved spandrels, everted ends, and legs ending in gently splayed feet.
