"MORNING IN THE PARK" FOLDING FAN BY DENG YING

$228

2011 • Beijing, China • Paper, Pigment, Bamboo • Collection #DYFAN1A

W: 21.0" H: 13.0"

Folding fans were brought over to China from Japan during the Ming Dynasty. They were a perfect canvas and so quickly became popular among painters and calligraphers. Deng Ying is a contemporary Chinese artist from Beijing. She painted this fan with a whimsical, colorful scene she calls "Morning in the Park," and her contemporary style contrasts beautifully with the traditional design of the fan.
