BAITONG ETCHED AND ENAMEL FOLDING HAT STAND

\$580

c. 1850 • Northern China, China • Metal • Collection #PHA009F

W: 11.25" D: 11.25" H: 8.25"

In 19th century China government officials wore different hats to show their various ranks of office—the styles and designs changed depending on the season. A hand-crafted, one of a kind enameled, white brass folding stand like this was the perfect way to store an important hat when it wasn't being worn.
