SMOKY CLAY BASIN

\$1,480

c. 1900 • Southern China, China • Materials, Ceramic • Collection #R066

H: 9.5" Dia: 20.5"

Sculpted in the early 20th century in southern China, this charcoal-black basin has a darkened exterior and bears the smoky traces of its fiery creation on its unglazed interior. With rich surface texture, we love this storied basin as a decorative vessel or as a planter for garden foliage or indoor houseplants.
