BLUE AND WHITE DRAGON GINGER JAR

\$780

c. 1900 • Southern China, China • Porcelain • Collection #CWL002

H: 9.0" Dia: 8.0"

With its simple, round form and even white glaze, this early 20th-century ginger jar is all about the decoration. Brushed with a brilliant cobalt blue, the jar is painted with a serpentine dragon soaring through the sky towards a flaming pearl, an emblem of the sun, of the moon, of balance, and of power. The sinuous dragon winds its way around the petite jar and onto the lid for a balanced design.
