BLUE AND WHITE GU VASE

\$3,780

c. 1850 • China • Porcelain • Collection #CMK065

H: 18.75" Dia: 7.5"

Originally cast in bronze, the gu vase form dates back nearly three thousand years. Characterized by a slender body and flared mouth, gu vases were traditionally used for drinking wine or presenting ritual offerings. Crafted of porcelain, this Qing-dynasty blue-and-white gu vase exhibits a stylized botanical motif of abstract leaf panels and delicate floral scrolls painted in deep cobalt blue.
