## BLUE AND WHITE QILIN VASE

**\$980**

c. 1900 • Shanxi, China • Porcelain • Collection #BJFF098

H: 19.5" Dia: 11.0"

A parade of qilin, Chinese mythical creatures symbolizing magnificence, joy, and benevolence, march around this early 20th century blue and white porcelain fantail vase. This particular fantail is notable in our collection for its especially round base and wide mouth. It is a wonderful example of traditional Chinese blue and white porcelain, sought after by connoisseurs for centuries.
