BLUE AND WHITE TEA POT

\$388

c. 1920 • China • Porcelain • Collection #CBH086

W: 6.5" D: 4.5" H: 5.75"

This elegant blue-and-white porcelain teapot was once used in a provincial Chinese home to serve freshly brewed tea. Many connoisseurs believe that the complex flavors of the beverage can be enhanced or changed by the teapot it's served in. Glazed with a rhythmic floral pattern, this teapot's porcelain body wouldn't absorb flavor, keeping the taste of each brew clean and pure.

Minor repairs visible along rim.
