CARNELIAN AND TURQUOISE NECKLACE WITH TIBETAN SILVER BEADS

\$298

Shanghai, China • Silver, Gems • Collection #CJLDN436JA

Created by an artisan in Shanghai, this beautiful necklace is strung with carnelian agate and turquoise beads sourced from early 20th-century Chinese jewelry. Although beaded necklaces were seldom worn by courtly Qing-dynasty women, strings of fragrant beads were often looped over robe fastenings as a decorative accessory. The metal beads dotting the necklace are silver Tibetan charms, each intricately decorated with swirling patterns.
