PETITE BRASS PIPE

\$328

c. 1850 • China • Brass • Collection #BTA048F

W: 6.25" D: 1.5" H: 3.75"

Finely crafted pipes such as this one were frequently given a place of honor on the desks of Qing-dynasty scholars. These pipes were considered precious and collectible enough to earn a distinguished position amidst the other four treasures of the study: paper, ink, ink stones, and calligraphy brushes. Cast in mid-19th century, this petite brass pipe has an elegant sculptural presence, displayed simply on a custom steel mount.
