CAST IRON VESSEL

\$1,480

c. 1850 • Shanxi, China • Cast Iron • Collection #ACB010B

H: 14.5" Dia: 9.0"

This cast-iron vessel has an elegant form reminiscent of the beautiful ironwork, bronzes, and ceramics perfected by Chinese artisans thousands of years ago. A century ago this jar would have been purely functional, but as the iron has gracefully aged over time, it has transformed into a sculptural object.
