BLACK HU VASE WITH HANDLES

\$480

Zhejiang, China • Ceramic • Collection #CJKA017

H: 13.75" Dia: 9.0"

The striking black of this sculptural ceramic vase draws on a long Chinese tradition of monochrome glazing, using a single color to emphasize a vessel's striking silhouette. The vase is sculpted in the ancient hu form, a shape defined by its wide shoulders and flared lip, that over time evolved into the lidded vessel known as a baluster jar or ginger jar.
