STONE TROUGH

\$480

c. 1900 • Shandong, China • Granite • Collection #TLA017Q

W: 20.0" D: 10.25" H: 6.5"

Once a common sight in courtyards throughout rural China, this textured stone vessel was used as a grain trough for chickens and other barnyard fowl. Chiseled from a block of granite over a century ago, the sculptural trough charms with its uneven surface, textured interior, and asymmetrical contours. Recently drilled at the base with a small drainage hole, the trough makes a wonderful planter, perfect for hens-and-chicks and other lush succulents.
