MIRRORED TEA TRAY

\$580

c. 1850 • Northern China, China • Northern Elmwood, Mirror • Collection #CMK115

W: 21.25" D: 13.0" H: 2.25"

Dovetail joinery and carved geometric scrollwork add charming detail to the simple lines of this century-old provincial tray. The rectangular tray has developed great character from years of serving tea, likely for friends and family gathered on traditional kang daybeds. We've installed a silver-toned mirror to the base to transform the rustic tray into an elevated serving platter or wall mirror.
