## WINE TABLE WITH CLOUD SPANDRELS

**\$2,980**

c. 1850 • Shanxi, China • Northern Elmwood • Collection #J064

W: 40.5" D: 20.25" H: 34.5"

Ideal as a console table in the modern home, this exquisite 19th-century wine table charms with rounded legs, simple double stretchers, and finely beaded cloud spandrels. Crafted in China's Shanxi province over over one hundred and fifty years ago, the beauty of the table's elmwood finish has only increased with time and wear. A fixture of China's time-honored history of wine making, the table would have been used as a gathering spot for serving wine and making group toasts.
