RECLAIMED ELM DOOR BENCH

\$728

China • Northern Elmwood • Collection #SOPR0014

W: 31.5" D: 11.5" H: 23.0"

Made of wood reclaimed from 18th-century Chinese buildings, this petite door bench brings the farmhouse modern aesthetic to traditional forms. Skilled in traditional joinery techniques, our craftspeople fashioned a simple bench to resemble those that would have been moved about a provincial Chinese courtyard home. Embracing the notion of “wabi-sabi,” the table charms with its irregular edges, mottled color, and fascinating array of knots, splits, and nail holes that hint at the wood’s earlier use.

Bench is made to order, and can be made in a variety of sizes.

Lead time is 6-8 weeks. Continued...
