PETITE EARTHENWARE BOWL

\$88

c. 1850 • Northern China, China • Ceramic • Collection #NN188D

H: 1.5" Dia: 3.75"

This petite 19th-century bowl is cloaked in an opaque cream glaze, which drips and pools over the bowl's shallow form. With an exposed footed base and a textured finish, the small dish is a charming way to store small items on a desk or console table.
