EN POINTE OVAL WOVEN TOP STOOL

\$1,880

c. 1900 • Fujian, China • Chicken Wingwood, Reed • Collection #GDG027S

W: 15.25" D: 13.25" H: 18.5"

The distinctive, feathery grain of jichimu, or "chicken-wing wood," sets this woven top oval stool apart. Clearly influenced by Western design, this petite Chinese stool was likely crafted for the European export market. Like a ballet dancer frozen midstep, the stool's curved legs end in delicate feet balanced en pointe, creating the effect of being gracefully and perpetually in motion.
