## WOVEN RIVER BASKET

**\$288**

c. 1800 • Shandong, China • Wood, Willow • Collection #TLC035E

H: 14.0" Dia: 12.25"

Centuries ago, a woven reed fisherman's basket such as this would have been common in rural China as an everyday item, used until it became worn through. This hand-woven example remains in beautiful condition and features a tapered woven body secured to a round wooden rim. Left unfinished, the basket blends into neutral interiors with timeworn texture and pale color.
