

## TIBETAN HEALING MANUSCRIPT

**\$1,280**

20th Century • Tibet • Pigment, Fabric • Collection #CESR016B

W: 23.0" D: 2.0" H: 30.0"

This beautifully detailed Tibetan folk painting dates to the mid-20th century and shares traditional knowledge in the style of painted Buddhist thangkas or manuscript cards. Intended as a visual aid for learning, the painting illustrates ritual and healing practices, arranged as a series of discrete anecdotes. The figures and objects are hand-painted with fantastic detail, rendered in a palette of red, blue, orange, and yellow.

Pigment and ink on fabric. Framed.
