CERAMIC GLAZED URN

\$1,480

c. 1900 • Northern China, China • Terra Cotta • Collection #S039B

H: 24.0" Dia: 20.0"

At once ancient and contemporary, this beautiful urn speaks to the timelessness of Chinese ceramic design. Made in northern China in the early 20th century, the urn pays respect to materials and craft, bearing the subtle ribs of its thrown manufacture and indulging in the unpredictable nature of glaze as it pools and spreads to coat the surface.
