## PROVINCIAL GLAZED WATER JUG

**\$468**

c. 1850 • China • Ceramic • Collection #CMRC043

H: 10.25" Dia: 9.5"

This 19th-century kitchen vessel is coated inside and out with a dark brown glaze that clings to its ribbed sides with subtle color variation. Designed for serving water or tea, the squat jar features a narrow neck, small strap handles, and a short spout for pouring. The rounded shoulders are brushed with simple linework in a contrasting light brown glaze. Textured with pitted wear and other imperfections, the rustic vessel is wonderful as an unusual vase or home accent.
