## GREEN GLAZED FOOTED BOWL

**\$288**

c. 1850 • China • Terra Cotta, Glaze • Collection #CDH006C

H: 3.5" Dia: 6.5"

This small terracotta bowl dates to the mid-19th century and has a simple, round form with a short footed base and thin walls that flare slightly at the lip. The bowl is coated inside and out with a bright green glaze, wonderfully textured with pitted wear and fine crazing. A favorite way to add color to neutral interiors, this glazed bowl is ideal as a decorative catch-all or serving dish.
