GREEN GLAZED PICKLING POT

\$388

c. 1900 • Zhejiang, China • Ceramic • Collection #BJA047B

H: 10.5" Dia: 11.0"

A luminous blue-green glaze sheets, pools, and drips down the surface of this pickling pot, lingering beautifully on every imperfection. Masterfully crafted in the late 19th century, this Qing-dynasty jar once used for household storage exhibits a rich range of tonal color, finely crazed texture, and pitted wear that gives the piece fantastic character.
