PAGODA RED

GUATEMALAN CHILD'S CHAIR

\$780

c. 1900 • Central America • Wood • Collection #CBH003G W: 13.0" D: 12.0" H: 19.25"

Crafted in the early 20th century, this petite Guatemalan children's chair charms with its playful asymmetry and richly textured surface. Influenced by Spanish Colonial furniture design, the chair has a slatted back and square seat framed by two angular arm rests. The low seat is the perfect height for a youngster, but we love this petite chair as a low side table or tabletop display stand.
