DEMI LUNE TABLE

\$4,380

c. 1850 • Shanxi, China • Northern Elmwood • Collection #BJEE202

W: 38.5" D: 20.0" H: 31.25"

This demi-lune table is named for its half-moon shape was designed to sit against the wall of a Qing-dynasty home. Crafted from elmwood in the Shanxi region of China, the table apron was finished with beautifully scrolled beading and intricate fretwork of carved dragons, considered symbolic protectors. The wood has aged beautifully over the past century and the elegant tapered legs end in gently formed hoofed feet.
