FLARED IRON BELL

\$380

c. 1850 • Northern China, China • Iron • Collection #S1571

H: 8.75" Dia: 10.75"

This rustic, 19th-century iron bell once pealed in celebration or gave notice of important events in a town in northern China. The flare of this bell gives it a unique sculptural form, perfectly complemented by its rusted, textured surface. The perfect addition to a garden, this bell looks especially lovely nestled beside others as a sculptural installation.
