SHALLOW CAST IRON LOTUS VESSEL

\$2,880

Hebei, China • Cast Iron • Collection #BJEE172

W: 32.75" D: 30.5" H: 16.75"

China was the earliest known civilization to make cast iron. It first appeared thousands of years ago during the illustrious Zhou dynasty. Textured with lotus blossoms in high relief and balanced on tripod feet, this contemporary low vessel references 19th-century versions that were used for collecting rain water and kept near homes in case of fire.
