## JADE ARCHER'S RING LINED IN 14K GOLD

**\$1,780**

c. 1850 • Northern China, China • Gold, Jade • Collection #CGC002

H: 1.0" Dia: 1.0"

Hand-carved of the highest quality jade, this 19th-century archer's ring was likely worn by a gentleman-scholar in Northern China. Traditionally, Chinese archers wore these rings to protect their thumbs while drawing a bowstring. Over time, these jade rings became fashion accessories and a decorative display of status. This stunning jade ring, hued a pale green color with currents of light brown, has been recently lined with 14k gold by a contemporary artisan, adding a modern finish and narrowing the interior diameter to ring size 8.5.
