JUULONGBI MOUNTAIN MEDITATION STONE

\$3,980

Fujian, China • Stone, Wood • Collection #JLB001

W: 19.5" D: 11.0" H: 13.0"

A well-chosen stone is a focal point of both a traditional Chinese garden and a scholar's studio - evoking the complexities of nature and inspiring creative thought. Polished to bring out its evocative veining and smooth its edges, this mesmerizing stone resembles an abstract dragon or a mountain range with peaks and valleys, swirling with rich earth tones. An elaborately carved wooden frame, custom made to the stone's curves, elevates it to a work of sculpture.
