LARGE MARKET BASKET

\$580

c. 1850 • China • Wood, Willow, Bamboo • Collection #CESR023

W: 38.0" D: 17.0" H: 12.0"

It is easy to imagine someone, long ago, walking to market on a summer day with this beautiful basket tucked under their arm. Expertly woven from young willow branches, this large market basket has a shallow, oblong body with flared sides reinforced with thin bamboo strips and leather binding. A bent wooden handle arches high over the basket, strung with coins for added good luck.
