## THAI CARVED MANDALA PANEL

**\$2,480**

20th Century • Thailand • Teak • Collection #CFC412

W: 47.0" D: 1.5" H: 48.0"

Worked from reclaimed teak boards, this large, seven-board panel is hand-carved in relief with a decorative mandala design in the style of Thai or Balinese fretwork screens. Concentric circles with floral motifs radiate from a central lotus blossom, surrounded by foliate scrollwork within a square frame. Showcasing the natural beauty of teak wood, this carved panel adds raw texture and neutral color to modern interiors as a work of wall art.
