"BRANCHING CLOUD" MEDITATION STONE

\$1,480

Northern China, China • Stone • Collection #NN116

W: 16.25" D: 9.0" H: 3.75"

Sculptural and unusual stone formations have long been fixtures of the Chinese scholars' studio, displayed as sources of beauty and creative inspiration. Known as scholars' rocks (gongshi), such stones were collected over time and appreciated as intriguing microcosms of the natural world. With its pronounced veining and natural juxtaposition of dark and light, this meditation stone has a captivating form that recalls a modern sculpture or glazed ceramic form. Artisans have transformed the rough rock formation into a thing of beauty, polishing the stone to accentuate its organic color and form. Continued...
