

ETERNAL KNOT CHARM

\$38

c. 1900 • Tibet • Brass • Collection #CFC216

W: 1.25" D: 0.1" H: 2.0"

This petite brass charm takes the coiled shape of the eternal knot, one of the Eight Auspicious Buddhist Symbols. An overlapping loop without beginning or end, the eternal knot represents the Buddha's endless wisdom and compassion. The eternal knot can also symbolize longevity, true love, and the continuity of life. This eternal knot token is decorated with a stippled texture and a four petal flower at each cross.
