POLYCHROME LUCKY FISH

\$288

China • Pigment, Pine • Collection #TLC005G

W: 8.0" D: 4.5" H: 11.5"

Hand-crafted from reclaimed wood, this artisanal koi sculpture is a traditional symbol of harmony and luck. For Buddhists, such a fish represents a freedom from all restraints. The fish is sculpted with a squat, rounded body and decorated with colorful pigments in a palette of red and yellow. Set on a custom steel mount, this provincial koi charms with bright color and a beautifully worn texture.
