c. 1850 • Shanxi, China • Northern Elmwood, Lacquer • Collection #CGF002

W: 13.5" D: 13.5" H: 33.0"

This pair of display stands dates to the early 20th century and would have been used as pedestals for floral arrangements or burning incense. The square stands are crafted of northern elm (yumu) with mortise-and-tenon joinery and feature shallow drawers and a lower shelf. A warm red-brown finish darkens the exterior, gently worn from a century of use.

One stand has a split to the top surface and a slightly warped leg due to age.
