W: 9.0" D: 3.0" H: 9.5"

This charming pair of early 20th century wall sconces exemplifies French Art Deco lighting with sculptural form and a soft, delicate appearance. The sconces have flat, frosted glass shades of round form with scalloped edges, resembling a flower blossom or soft cloud. The frosted glass shades are secured to angular, V-shaped brackets of nickel-plated bronze with a geometric, stepped detail at either side.
