PAIR OF BLACK LACQUER CABINETS WITH SCALLOPED APRONS

\$28,800

c. 1800 • Northern China, China • Northern Elmwood, Lacquer • Collection #Y099

W: 50.5" D: 22.5" H: 81.5"

This pair of elegant mid-19th century black lacquer cabinets has lyrical scalloped aprons. They maintain their rich original hand-brushed black lacquer finishes, which have developed a beautiful crackle over time. The doors were designed with extended dowels at the top and bottom that ingeniously fit into the cabinets' frames, eliminating the need for distracting surface hinges. The original brass central hardware is in place and was made by hand to contour to the shape of the door frames.
