PAIR OF WALNUT ROUND PLANK TOP SHIZI TABLES

\$8,580

c. 1850 • Shanxi, China • Walnut • Collection #PD62315064

W: 18.11" D: 18.11" H: 20.08"

It's incredible that this pair of early-19th century walnut tables has managed to remain not only together, but in excellent condition over the last 150 years. Walnut, also known as "hetaomu," gives these solid-top tables the warm hues and tight-grain texture that's so coveted by collectors. Hand-carved Chinese lions, or "shizi," set off the elegant curves of the legs.
