WHITE BRASS HAPPINESS BRAZIER

\$1,180

c. 1850 • China • Brass • Collection #CFC162

W: 3.0" D: 4.0" H: 3.75"

Filled with burning coals, this petite 19th-century brass brazier once warmed the hands of a well-to-do person on a cold winter's night in northern China. The brazier is crafted of white brass in a rectangular form, complete with a hinged handle and an intricately pierced lid with a chrysanthemum pattern. The exterior is etched with a pattern of golden coins and bats, symbols of happiness, longevity, and wealth. A keepsake from a bygone era, this fine brazier retains a quiet elegance and looks lovely accenting a bookcase or console table.

From the collection of Frances and Gary Comer.
