PROVINCIAL STACKED STRETCHER WINE TABLE

\$3,680

c. 1900 • Shanxi, China • Northern Elmwood • Collection #BJFF096

W: 35.75" D: 15.75" H: 32.5"

Crafted in China's Shanxi province in the late Qing dynasty, this charming wine table was once a gathering spot for guests to pour wine and make toasts. The table's stretchers and legs were hand-rounded to create a barreled form, meant to resemble forms of bamboo furniture popular in earlier centuries. Rustic construction and a timeworn finish add fantastic character to the clean lines of this traditional Ming form.
