PROVINCIAL CANDLEHOLDER

\$128

c. 1900 • Northern China, China • Pine • Collection #CLMS002E

W: 4.5" D: 4.5" H: 15.0"

Carved of pine and softened by a rich patina, this early 20th-century candle holder once lit up a Qing-dynasty home in provincial northern China. An easy way to add rustic character to the home, we love this piece for its textured surface and subtle asymmetry.
