W: 27.0" D: 19.0" H: 7.0"

This large wooden farm tray from perfectly balances rustic texture with minimalist simplicity. Carved from a solid block of wood, the tray has a rectangular shape with sloping sides and corners carved into short handles. Years of use have imparted a smooth patina and a chiseled, wabi-sabi texture that highlights the original wood grain. Left unfinished with light color, this provincial tray brings a touch of organic modern to contemporary interiors as a catch-all bowl or serving platter.
