LARGE PROVINCIAL FARM TRAY

\$880

c. 1900 • Xinjiang, China • Wood • Collection #TLB153G

W: 27.25" D: 19.5" H: 8.5"

This wooden farm tray from northern China charms with its rustic finish and asymmetrical form. Hand-carved from a single block of wood, the large tray is truly one-of-a-kind, shaped with a deep basin and tapered sides that flatten at the rim. The surface of the tray is faceted with subtle chisel marks that trace the maker's hand, smoothed and darkened by a richly aged patina. Originally used for food prep in a provincial farm or kitchen, the tray brings a touch of organic modern to contemporary interiors as a catch-all or serving platter.
