## GLAZED STONEWARE BOWL

**\$380**

c. 1800 • United States • Ceramic • Collection #CBH120

H: 4.5" Dia: 11.75"

The simple form of this early 20th century stoneware kitchen bowl is brought to life by a beautiful interior glaze. Speckled with imperfections, the bowl is cloaked in a rich turquoise green, bordered by a trim of cobalt blue that drips ever so slightly down the sides. Whether used as a serving dish or an entryway vide-poche, this rustic bowl adds fantastic color and texture to the home.
