PROVINCIAL HEADREST

\$288

c. 1900 • Northern China, China • Northern Elmwood • Collection #Y115C

W: 9.25" D: 2.5" H: 5.0"

Made of Chinese northern elmwood, this smooth block of wood was once used by an upper-class woman as a headrest. The soft curve and height of the block not only supported her head and neck at rest, it also helped to preserve her intricate hairstyle. Rustic and conversation-sparking, the headrest displays well on a bookcase, desk or side table.
