## PROVINCIAL LOW TABLE

**\$1,880**

1875 • Northern China, China • Northern Elmwood • Collection #N184

W: 22.0" D: 22.0" H: 11.5"

This lovely, low-profile table once served up wine, food, and board games to guests who sat or reclined on a platform or floor. Made of northern Chinese elmwood, the petite table is detailed with a carved scroll apron and charming hoof feet. A sign of its age and use, a rich patina cloaks the table's surface with a smooth texture that calls to be touched.
