## GIRAFFE STONE PILLAR SCULPTURE

**\$680**

Shandong, China • Stone • Collection #E1941

H: 51.5" Dia: 5.75"

Carved from a single block of stone, this round obelisk makes for a striking addition to a garden or interior as a minimalist modern sculpture. Sourced in the Shandong region of China, the stone is marked with subtle occlusions that resemble the patchwork patterning of giraffe hide.
